

Volunteer / Sponsor of the Friendship Games

The work of the Friendship Games Foundation goes on all year long. We need volunteers and sponsors **all year long**. Our work has expanded into providing "*Vital Links, So You Can Know Where To Go.*" It is a pocket resource book for Miami-Dade/Broward and now Palm Beach County. These little booklets can fit into pocket or purse and are loaded with critical information for people who are homeless, consumers of mental health services, case managers, health care providers, community leaders, church leaders or anyone who desires to know where critical services are found.

We were able to donate many books at the Friendship Games this year because of the benevolence of some very special community supporters. We thank them for their support and we are looking for others, who can help us achieve the goal of handing out at least one million copies by April, 2009. Call us to see how you may volunteer/sponsor. Phone: 786-337-5965.

We also would like to bring back the soft ball competition. For this we will need a volunteer coordinator who will organize the Round Robin Tournament, starting in April, so that all the games are played by the Friendship Games Day and trophies handed out at the games.

There are many other Volunteer/Sponsorship opportunities available, so contact us and please show up for the meeting on Tuesday the 28th of October, 2008.
